### International Women's Rights: Lessons in Struggle, Models of Success

Keynote Speaker  
Prof. Adrien K. Wing

Human Rights Day commemorates the adoption of the Universal Declaration of Human Rights by the U.N. General Assembly. This was the first global enunciation of human rights. It is the foundation of international human rights law, the first universal statement on the basic principles of inalienable human rights, and a common standard of achievement for all peoples and all nations.
