Dear Friends of Human Rights,

We are excited to announce the 76th Annual Conference of the International Association of Official Human Rights Agencies (IAOHRA), themed "Strength in Unity: Human Rights in the Present." It will be held at Hilton Anchorage, 500 West 3rd Avenue, Anchorage, Alaska.

For 76 years, IAOHRA has been a beacon of hope and justice, uniting and empowering civil and human rights agencies across the U.S. and beyond. Supportive of over 250 million people, IAOHRA promotes and protects civil and human rights, with agencies enforcing anti-discrimination laws at various government levels. We focus on education, training, and community engagement to foster a fairer society. Our mission is to create platforms for sharing ideas and information among agencies and advocates, expanding services that uphold human dignity. IAOHRA leads globally on human rights issues and serves as a hub for information exchange.

We invite your organization to sponsor the 2025 IAOHRA Conference. Sponsorship shows your commitment to human rights and offers high visibility, including recognition in conference materials, website logo display, and exclusive networking with U.S. and international civil rights leaders.

Partner with us to amplify efforts against discrimination and promote respect and dignity for all. See the attached sponsorship levels. For questions, contact us at iaohra@iaohra.org. Join us in supporting human rights. Your partnership is essential!

Thank you for your support!

Alisa Warren, Ph.D.
