What is a CDFI anyway?

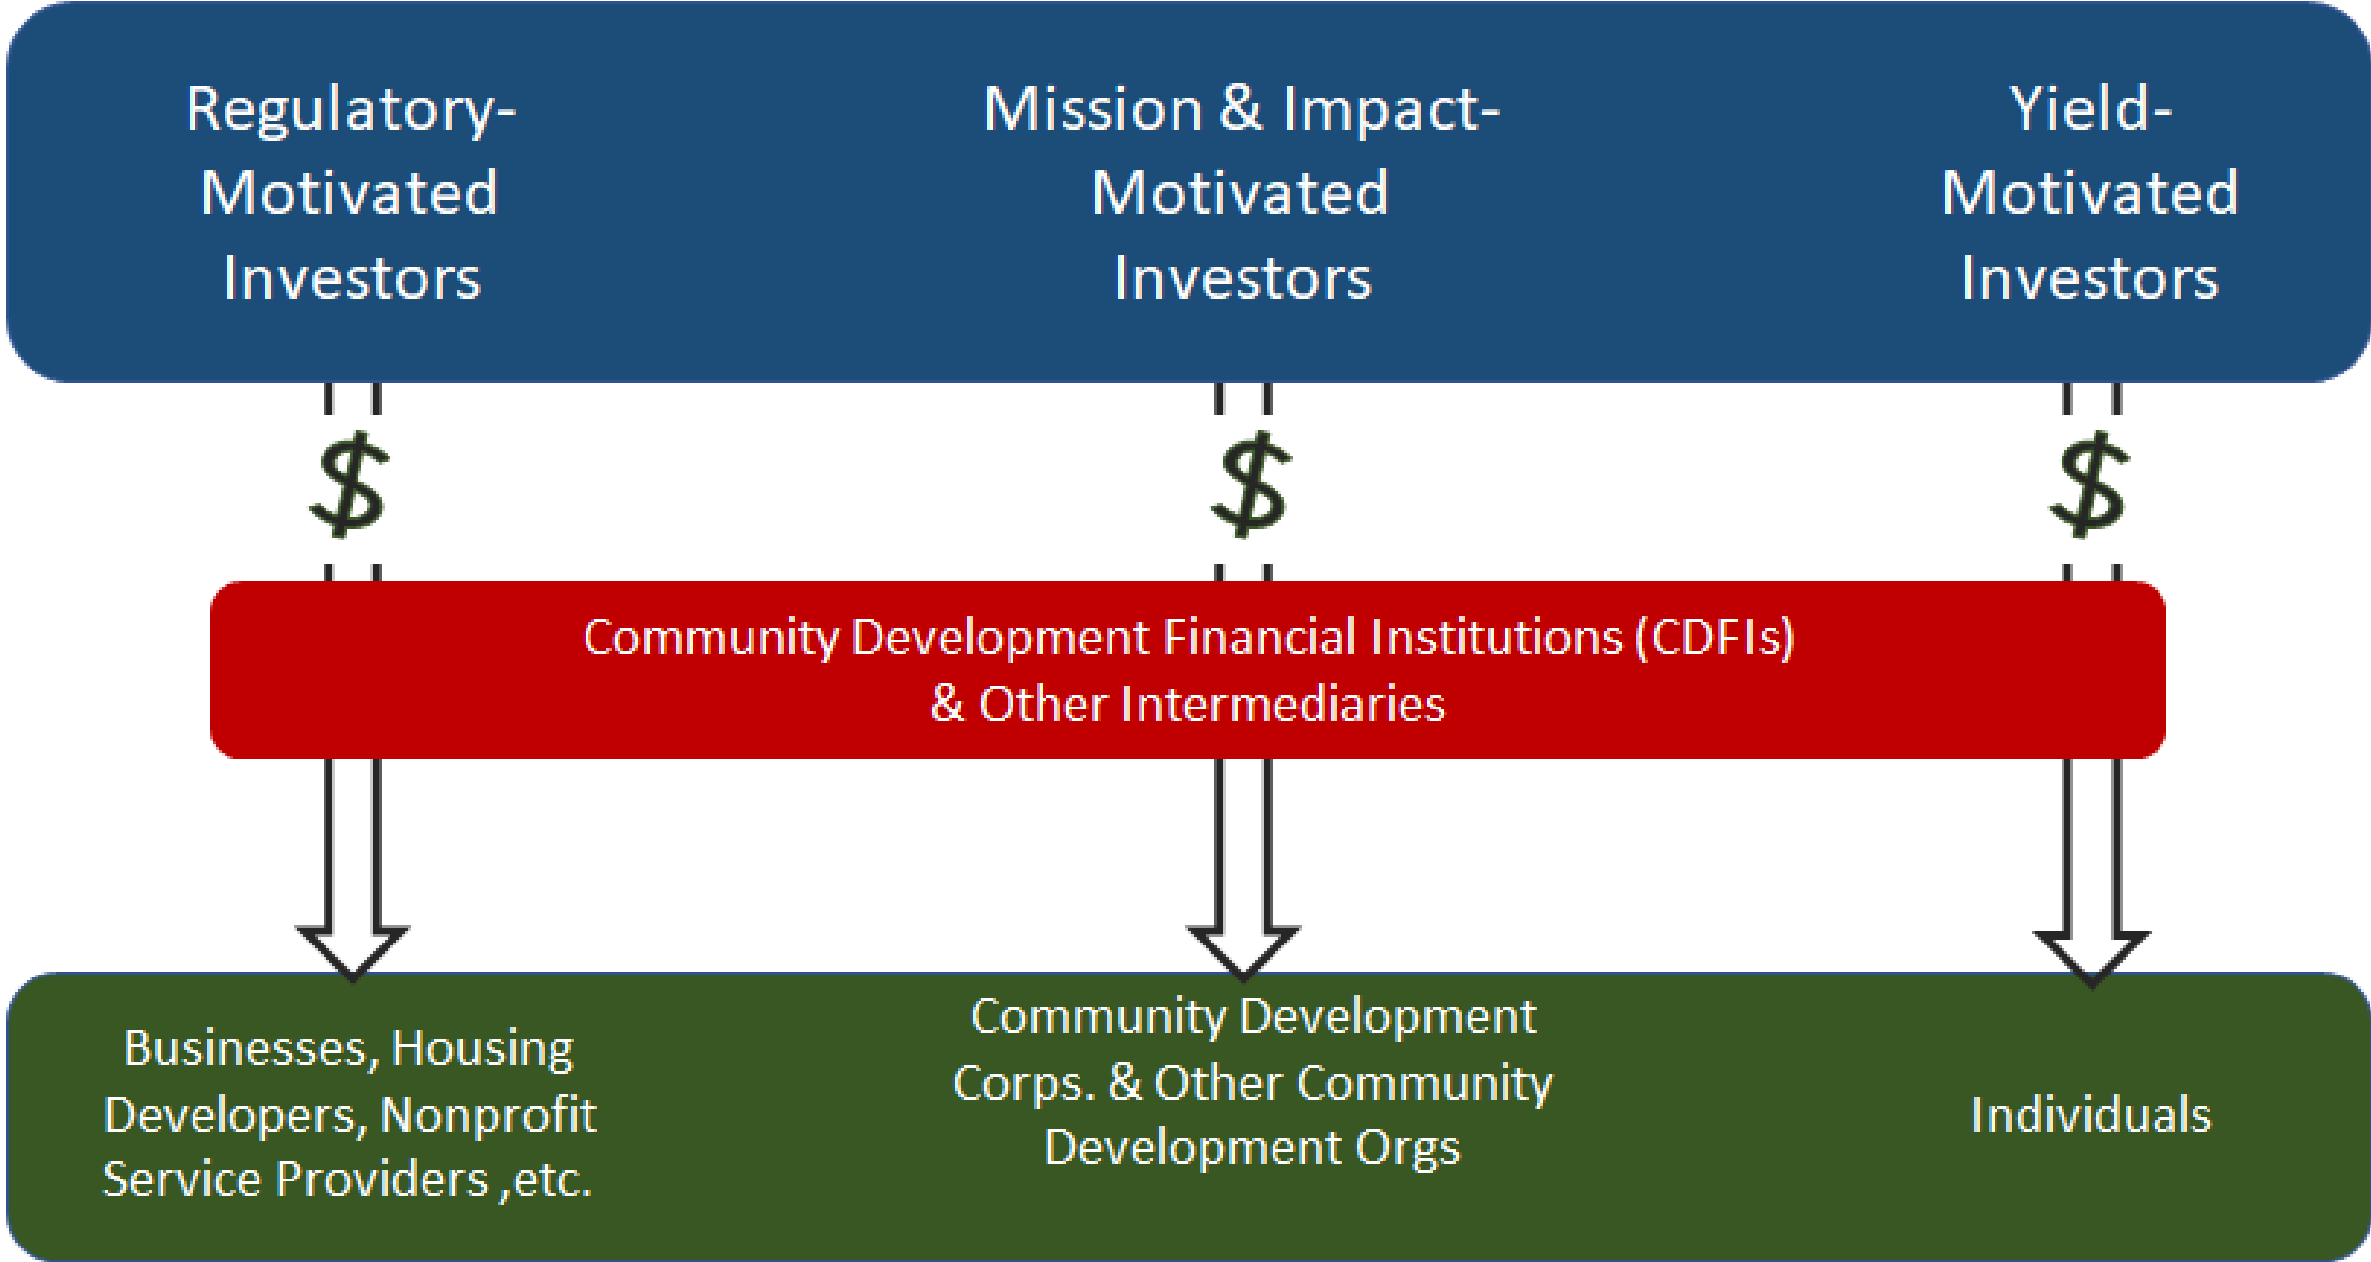

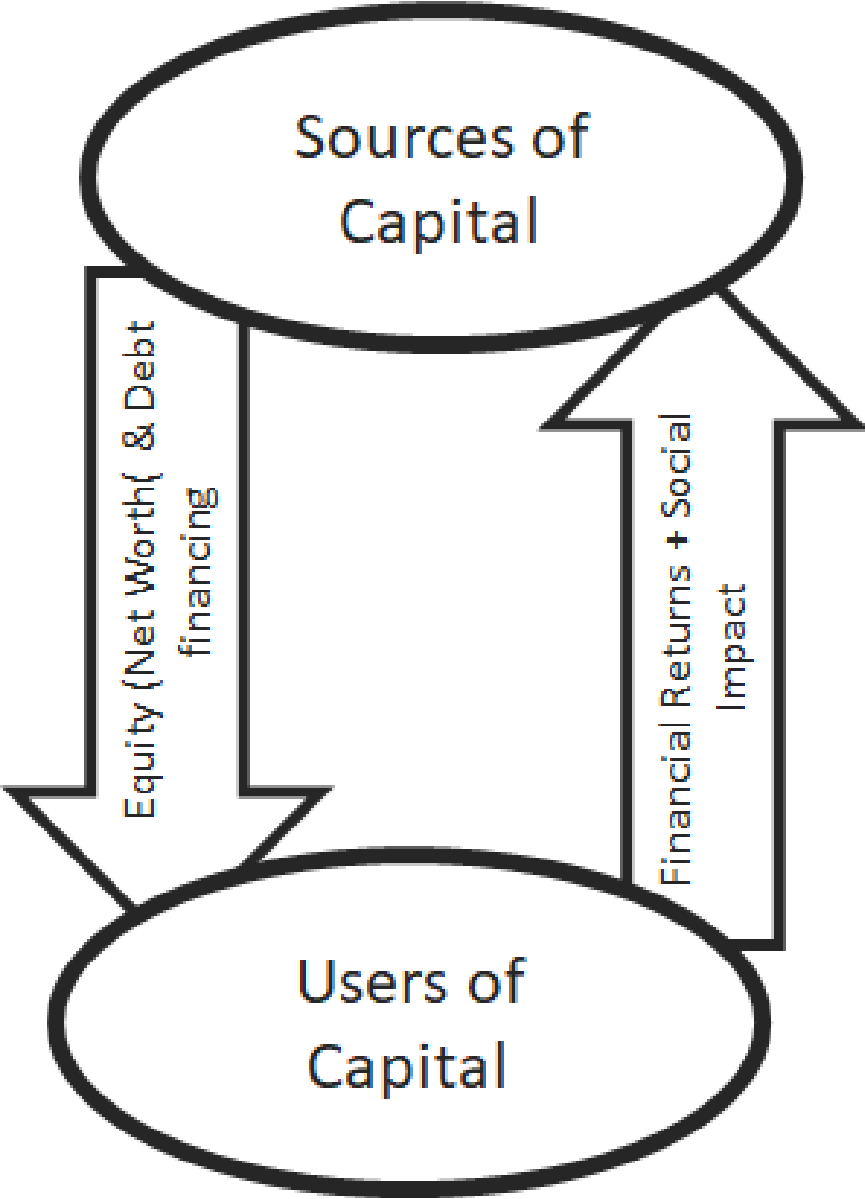

CDFIs Are Financial First Responders

- **Communities of Color**
- **Women & Minority Entrepreneurs**

CDFIs Finance

- **Small Businesses, Microbusinesses, Growth Businesses**
- **Affordable Housing**
- **Community Facilities**
- **Commercial Real Estate**
- **Individuals**

How CDFIs Benefit Communities & People

What Is CDFI "Friendly"?

We are on a mission to bring the \$250+ billion CDFI industry to under-capitalized, under-valued, and underestimated communities across the nation.

CDFI FRIENDLY AMERICA

CDFI Friendly communities know what CDFIs can do, know their financing priorities, and help CDFIs lend & invest to create community-centered opportunities.

The community comes together to learn how CDFI financing might benefit underresourced people and places.

Each phase of work clarifies capital gaps & potential CDFI benefits & roles.

The community comes together around financing goals & strategies to make it easier for CDFIs to find & finance opportunities.

Outcomes for Fort Worth

- **Permanent, sustainable CDFI Friendly Fort Worth capacity**
- **\$125-\$250 million+ in new CDFI financing by YE2028**
 - **Varies based on financing priorities**
 - **Focus on communities of color & historically underserved people**
 - **Financing will continue & increase after 2028**
- **Full range of new, permanent financing sources & types for wide range of needs**
